

CREATING MORE SUSTAINABLE AND SAFER URBAN ENVIRONMENTS TOGETHER

Take the first step towards enabling a safer and more sustainable building environment with the combination of **KONE's solutions** and Gaussian Robotics **autonomous cleaning robots**.

Maximize business efficiency

Keep your building and facilities constantly in tip-top condition with **KONE's 24/7 Connected Services** predictive maintenance working in conjunction with Gaussian cleaning robots

Cleaner and safer environments

Create and sustain cleaner, safer journeys and interactions with our environment through KONE's **Health and Well-being solutions** and Gaussian's autonomous cleaning robots
